

Date: Thursday, August 4, 2016 from 8:00am to 10:00am

Location: The Martin Center (Turner Hall A), 2400 Fairfax Ave, Nashville, TN 37219

Steering Committee Meeting #3

Project Update (15 minutes)

- Matt Hayes – Alta Planning + Design
 - Schedule and Deliverables
 - Community Outreach Update
 - Existing Conditions Analysis

Overview of State of Practice Report (15 minutes)

- Nathan Oliver, ASLA, Hawkins Partners

Peer + Aspirational City Report (15 minutes)

- Jennifer Baldwin, Alta Planning + Design
 - In-depth review of the Peer City and Aspirational City Report and a group discussion on the relevance to Nashville and the 2016 WalknBike Plan

Subcommittee Breakout Sessions + Group Discussion (60 minutes)

- Subcommittees will have the opportunity to meet separately and discuss their topics
- After individual meetings, each subcommittee will address the full committee and provide a brief highlight of work completed to-date and next steps
- Group discussion on opportunities for overlap and collaboration between the subcommittees
- Subcommittee Topics:
 - Outreach and Communication
 - Policy and Enforcement
 - Prioritization Methodology
 - Design Practices

Steering Committee Meeting #4: September 8th

- Full day workshop (9am to 4pm with lunch provided) to review and discuss findings and recommendations from each subcommittee
- Recommendations can be as detailed as desired by the subcommittees. This workshop will allow the entire group to discuss each topic and provide input that will feed into the final plan.

Public Comments

Next Steps (5 minutes)

- Draft WalknBike Plan to be released for public comment in December 2016
